Principal Howe shared 2020-2021 Land Trust Plan (see attached)

Land trust budget this year vs next year: approx. \$20k less due to the change in enrollment

Next year we will be getting a preschool – half will be with communication students; half will be general education.

### 3) Fundraiser Plans

Please share the link! We need to get the word out! We have 44 supporters on campaign! We need to get more! Only 62 shirts ordered so far.

Thanks to Valerie for all your work!

\$3,962 raised so far largely in part to a generous \$2,500 donation.

Our quote for pricing for the shirts is based on 300 shirts. We need to get to at least 300 shirts!

PLAN: Send flyers home today (Valerie sending to Piper), morning announcements on Monday, print color copies of shirts, extend deadline to Thursday (the 18<sup>th</sup>), send link to

family, friends, post on social media, stickers on Wednesday to remind for final order day.

A new group email to follow.

Teresa will follow up with Live Daybreak.
